Mobilizing Capital from Domestic and Foreign Markets by NTPC

†*213. SHRI JANESHWAR MISHRA: Will the Minister of POWER be pleased to state:

(a) whether it is a fact that National Thermal Power Corporation (NTPC) is considering to mobilize capital from domestic and foreign markets for its different projects;

(b) if so, the details thereof;

(c) whether Government are aware of the fact that NTPC has decided to enter in the field of coal-mining and gas exploration; if so, the details thereof; and

(d) whether Government are also aware of the fact that keeping in view the importance of gas based future projects, NTPC has started its efforts in this field to store gas, if so, the details thereof?

THE MINISTER OF POWER (SHRI P.M. SAYEED): (a) No, Sir.

(b) Does not arise in view of (a) above.

(c) Yes, Sir. National Thermal Power Corporation (NTPC) has applied for allocation of 16 numbers of coal mining blocks (Details enclosed at Statement) (see below) which have been recommended by the Ministry of Power. Out of the 16 blocks, NTPC has so far been allotted one coal Mine Block *viz.* Pakri-Barwadih, in the State of Jharkhand, under Govt, dispensation route for which NTPC has already taken up developmental activities.

Out of the balance 15 blocks, NTPC has also sought allocation of the following four coal blocks, for allocation on priority for its integrated Power-cum-Mining Projects. These are:-

•Machakata (Alternatively, Utkal 'A' merged with Gopalprasad West or Baitarini and Naini) in Talcher Coalfields (MCL)

•Pelma in Raigarh (SECL)

•Talaipali in Raigarh (SECL)

•Chichro-Patsimal in Brahmini (ECL)

As regards Gas exploration, NTPC has participated in bidding for gas and oil block offered under New Exploration and Licencing Policy - V

†Original notice of the question was received in Hindi.

(NELP-V) by Government of India. NTPC, as a lead member in consortium with Geopetrol and Canoro has successfully bagged the award of an on-land block namely AA-ONN-2003/2 in Arunachal Pradesh.

(d) No, Sir. NTPC is not venturing in the field of gas storage, at present.

Incentive to rural artisans

*214. SHRI K.B. KRISHNA MURTHY:
SHRI SANTOSH BAGRODIA:

Will the Minister of TEXTILES be pleased to state what initiative Government are taking to provide incentive to the rural artisans especially women workers of the dying handicrafts industry so that such an art form from different parts of rural areas of the country representing different cultures can be revived and promoted to the outside world?

THE MINISTER OF TEXTILES (SHRI SHANKERSINH VAGHELA): The handicraft industry is not a dying industry, which can be seen from the
